

1st Quarter 2022: The Messages to the Hebrews

written by admin | December 18, 2021

In This Quarter...

The portrait of Jesus, who captures the breadth and length and height and depth of God's love for us, is our subject this quarter. And just as the image of Jesus in the eyes of the girl in the painting captured the young man's gaze, may the image of Jesus as portrayed in Hebrews capture not just our gaze but our love and admiration for, yes, Jesus, our Brother in heaven.

Félix H. Cortez is associate professor of New Testament Literature in the Seventh-day Adventist Theological Seminary at Andrews University. He is married to Alma Gloria Alvarez and has two children, Hadid, a pastor in New Jersey, and Alma, an archaeology major at Andrews University.
