

1st Quarter 2023: Managing For The Master

written by admin | December 24, 2022

In This Quarter...

we will study God's ideal in our relationship with Him and clearly see how we can develop a trust so deep that we will remain faithful to Him, even when we can't buy or sell. However, our Christian worldview gives us confidence and hope as we see the signs Jesus gave to let us know that the great climax of human history, the second coming of Christ, is very near—even at the door. We pray that these practical lessons will deepen your faith and trust in God and encourage you to be a faithful manager for Him.

G. Edward Reid, MDiv (Andrews University), MPH (Loma Linda University), JD (Georgia State University), is an ordained minister and licensed attorney who served for many years as the director of Stewardship Ministries of the North American Division.
