

# [Free “The Final Message of Mercy” Magazine!](#)

written by admin | December 18, 2021

Because we have never seen such rapid, seismic changes happening in society, it's our burden at Come and Reason Ministries to share God's final message of love and mercy to a lost world quickly and effectively. We believe our new, beautifully illustrated publication, *The Final Message of Mercy to the World*, will help do just that.

In it we uncover the true meaning of the messages of Revelation's Three Angels, given to a sin-weary world, including accurately explaining the four judgments and God's design-law kingdom. We believe you'll have more peace and be better equipped to meet the spiritual challenges of our times, while also helping others prepare for the soon return of Jesus.
