Come And Reason Ministries  
Annual Report

## A MESSAGE FROM THE PRESIDENT

DEAR FRIEND,

I thank God for your loving support and prayers throughout 2023. With the Holy Spirit leading the way and you walking by our side, Come And Reason Ministries was equipped and empowered to continue sharing the life-changing message about God and His true gospel with an ever-increasing audience across America and worldwide, bringing healing to brokenhearted people from all walks of life.

I'm so thrilled that you share my passion for spreading the reality of Jesus' love, design law, and power to restore humanity back to unity with the Father. You've given me steadfast courage in this mission to bring healing to lives and prepare hearts and minds for the struggles of these last days. I hope you are blessed by this brief but inspiring report.

## PUBLISHING

In 2023, Dr. Jennings and the Come And Reason publishing team were very busy creating, designing, printing, and shipping resources to friends and seekers alike—including all-new sharing materials like:

### ■ The Wedding of Christ to His Bride

This creative, beautifully designed resource explores the final work of Jesus in preparing people for eternal union with Him.

### ■ Critical Race Theory: Exposing the Lies While Advancing the Gospel

Dr. Jennings tackles the controversial topic of “critical theory,” its many offshoots, its origins, and how it undermines God’s principles of true life, liberty, and restoration.

### ■ The Book of Job and the Last Days: A Cosmic Overview

This pamphlet explores the big-picture view of rebellion and redemption from a design-law perspective. Beautifully illustrated, it’s perfect for sharing with people searching for an answer to why bad things happen, revealing how Satan is responsible for the destruction and death in our world and how God plans to redeem us from it forever.

Thank you for making these new resources possible—you truly are making a difference!

## TESTIMONY

**“I struggled my entire life,” shares Zachary, “without an understanding of myself. I was raised in an abusive household.” As a youth, Zachary was diagnosed with bipolar disorder. He became an alcoholic and went through three treatment centers by the age of 18. When he was 21, he got drunk, assaulted a police officer, and was sent to jail. He was also emotionally abusive toward his family, and his wife even stopped taking his phone calls after he wouldn’t stop yelling at her. But a short time later, a convicted murderer walked up to Zachary and handed him *Could It Be This Simple?* “Something told me you need this,” the man said. Zachary pored over the book for weeks, underlining and taking notes. Today, he says, “Thanks to you, I got to the point where I could choose the Lord. I finally understood myself and my family. I’ve been delivered from alcohol and dependencies of every kind.” While Zachary is still struggling with family, he adds, “Thank you for your love transferred to me through your book. Not only was I saved from death, healed mentally and physically, but I also accepted God’s gift of grace.”**

Thank you for helping us reach people like Zachary in 2023. In 2024, with your support and God’s leading, we will continue to seek to present God’s final message of mercy to hasten Jesus’ return!
