

Seeking What They Sought - What Is An Adventist? Ep 8

written by admin | November 12, 2023

What does it mean to be an Adventist? Who decides who's in and who's out? Is there room at the table of Adventism to disagree while pursuing the same mission? These are the answers we search for in this series from Seeking What They Sought. In episode 8, we sit down for a conversation with Dr. Timothy Jennings, founder and president of Come And Reason Ministries.
