

[The Final Message of Mercy to the World: The Three Angels](#)

written by admin | December 18, 2021

Never have we seen such rapid, seismic changes happening in society! That's why it is our burden at Come and Reason to share God's final message of love and mercy to a lost world quickly and effectively—and we believe *The Final Message of Mercy to the World* will help do just that.

By uncovering the true meaning of the messages of Revelation's Three Angels, given to a sin-weary world, including accurately explaining the four judgments and God's design-law kingdom, we believe that you will have more peace and be better equipped to meet the spiritual challenges of our times, while also helping others prepare for the soon return of Jesus.
